Women IN *the* New Evangelization

WINE is a creative and inspired ministry that encourages women to grow spiritually as well as in their knowledge of the Catholic faith while teaching them how to be disciples of Jesus and mentors to other women.

Bringing together the best Catholic programs, resources, books, musicians, and speakers, **WINE** beautifully complements the ongoing activities of any women's ministry or faith sharing group. **WINE** hosts conferences and events, organizes parish small groups, promotes book clubs, and provides faith-filled and inspiring content via its website.

A systematic approach with an organic twist: **WINE** provides a proven course to lead a fruitful women's ministry, allowing each group to work with the Holy Spirit and set the path that is best for their needs.
